

IBM cloud account

The screenshot shows the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Ashwini A's Account). Below the navigation bar, the main section is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a prominent "Create resource" button. The "For you" section features a "Build" card with a blue-to-purple gradient and several "Recommended" cards for various services like "Hosting with bare metal servers", "Use Streaming Analytics", "Build a web app with Watson Speech to Text", and "Build a Virtual Private Cloud (VPC)". Each card includes a brief description and a "Recommended" or "Getting started" badge with a time estimate. At the bottom, there are sections for "User access" (with a "Manage users" link), "News" (with a "View all" link), and "Planned maintenance" (with a "View all" link). A blue "Activate Windows" watermark is visible in the bottom right corner.
